This home has been recently remolded throughout the entire interior and is ready to move it. The kitchen features a beautiful center island with seating, custom cabinets, quartz countertops, and stainless steel appliances. The open kitchen faces the large family room with a new pellet stove insert and hearth. The living room and dining room offer new wood flooring and a vaulted ceiling, which is perfect for entertaining. The dining room offers a murphybed which transitions to a wonderful optional 5th bedroom. The master bedroom opens to a massive walk in closet along with quartz topped dual sinks and a large sitting area. The covered back patio is the perfect area for outdoor entertaining in the summer. Three car garage provides ample storage for all the family toys.
